## MAYOR CONTEST WILL DRAW BIG VOTE TUESDAY

Twenty-one Names Appear  
on Largest Ballot for  
Village Election

With the chief interest centering around the contest for village president, Antioch voters are predicting a spilted contest and a record vote here next Tuesday.

An imposing array of candidates, 21 in all, listed under four party captions, and printed on the largest ballot ever used in a village election in Antioch, will greet the voters.

Heading the Citizens ticket is George B. Bartlett, ten years mayor of Antioch and candidate for re-election. Other names on the same ticket which is referred to as the mayor's ticket, are E. O. Hawkins, James Stearns, J. B. Drom, Robert J. Wilton, Laurel D. Powles and N. L. Nelson, candidates for trustees; Roy L. Murrie, incumbent village clerk, up for re-election; Clarence B. Shultz, for treasurer, and Esther Galbraith and L. J. Zimmerman, for library directors. These candidates make up the only ticket on the ballot having candidates for all vacancies.

Maplethorpe Opposes Bartlett.

Opposing the Citizens slate is the Independent party, carrying a full ticket with exception of clerk and library directors, headed by Arthur Maplethorpe for village president. The candidates for trustee are Charles N. Lux, present board member; Frank Harden, Walter Scott, Elmer Reuther, George Wagner, Sr., and Irving Elma. The ticket also carries the name of Russell Barnstable for village treasurer.

Others on the ballot are Courtney E. Hennrich, independent candidate for trustee, and John N. Pacini, the Progressive candidate for trustee.

Expect Record Vote.

The election Tuesday is expected to draw a much larger vote than that polled two years ago when a total of only 474 votes were cast for president of the village, Bartlett receiving 233 and B. F. Naber 233. In that election 462 votes were cast for trustee, 451 for police magistrate candidates, and a total of 807 for Stearns, Lux and Drom, winning candidates for trustee.

Of the 21 candidates, eight have held office. Bartlett has been mayor for 10 years; Hawkins has been a trustee for 12 years; Lux 6 years; Stearns, 4 years, and Frank Harden formerly served a term as trustee. Powles has been treasurer for 2 years; and R. L. Murrie, first appointed village clerk to succeed the late Harry A. Isaacs, has filled that office for 3 years.

Two Trustees Retire.

Incumbents retiring this year are Nason B. Sibley, trustee for 6 years, during which time he served as chairman on important committees having charge of construction projects for the village, and Herb J. Vos, dean of all village officials with a record of 13 years' service on the Antioch board.

With quiet but earnest campaigning being prosecuted by friends of all candidates the race for office promises to be the most interesting contest held in Antioch for many years. With the exception of marked sample ballots for distribution to voters and the advertisement for the independent candidate for mayor, appearing on page two of this edition of the News, no printed advertising has appeared for the candidates.

## FUTURE FARMERS AND DADS HOLD BANQUET TONIGHT

Members of the Antioch chapter of Future Farmers of America and their dads will assemble tonight at the twelfth annual father and son banquet to be held at 7:30 o'clock at the high school.

More than the usual attendance has been indicated by the reservations sent in. Members of the department of vocational agriculture and the alumni of that department and their dads have been invited.

"Our Challenge" is the subject of the address to be given by F. L. Witter, superintendent of the Burlington, Wis. schools, and there are also to be other speakers and entertainment.

Mr. and Mrs. Charles McCorkle and family moved last Saturday to the Don Olson cottage at Grass Lake.

## Two Are Injured in Auto Accident

Mrs. Katherine Hardt, 55 years old, 870 Milwaukee avenue, Chicago, and her son, Herman Hardt, 30 years old, with whom she resides, were seriously injured late Saturday night when the automobile in which they were riding crashed into a lamp post at 10th street and Columbus drive in Grant Park. Both were taken to St. Luke's hospital.

Both Mrs. Hardt and her son were intimate friends with the Venn family of this community. They have spent many summers at Venn's Island.

## MRS. ROBBINS AGAIN HEADS ANTIOCH PTA

Group Hears Indian Princess in Song Recital Monday Night

Mrs. Ernestine Robbins was re-elected president of the Antioch Parent-Teacher association at the business session of the local group at the Antioch high school Monday night. Other officers elected were Dr. L. John Zimmerman, vice president; Miss Genevieve McCullough, secretary; Mrs. Virgil Folter, treasurer, and Mrs. Selma Trieger, historian.

At the meeting the men of the association learned that they were to serve at the card party to be held at the grade school Monday night. Mrs. R. E. Claiborn was named chairman of the committee, and assisting him will be W. J. Anderson, Dr. Zimmerman, Fred Hawkins, John Horan and John Robbins.

Indian Princess Pleases.

The business session proceeded the song and musical recital by Tsanina, internationally famous Indian prima donna, who appeared in a program of exceptional merit. Assisting her were Marie Colton Schuler, accompanist, and I. Lynn Schuler, violinist.

Tsanina's program was devoted principally to the songs of the Indian, which she sang with fervor and realistic charm. Her voice thrills with its beauty, and she won her audience with the very first number. Her assistants also possessed unusual talent and contributed to the merit of the program which was pronounced one of the most enjoyable of the season.

The auditorium was beautifully decorated with flowers and potted plants, the donation of S. E. Pollock, Antioch florist.

## CROWDS GREET HOME TALENT AT WLS SHOW

Two More Nights, Friday and Saturday, for "Hayloft" Players

The Antioch high school is buzzing with excitement this week over the Prairie Farmer-WLS Barn Dance Show being held in its Auditorium this week Wednesday, Friday and Saturday nights at 8 o'clock.

Rehearsals have been in progress for a week and much Lake County musical and dramatic talent may be found among the cast of more than 100 people. The show is being directed by Miss Nell Adams, program director, and Nellie O. Fritchard, business manager.

The characters impersonating the favorite radio stars of WLS come from our city as well as surrounding communities. The Masters of Ceremony are Hubert Belchers and William Anderson who are handling the program in a professional way. In fact there is a spontaneity and freshness about the whole program which is not often seen in a show staged by professional actors. Music is being furnished by Studle's Sax Sombles of Zion, and the Skokie Valley Boys of Libertyville in addition to the Hayloft orchestra. Outstanding among the hayloft soloists are Fred Yates, Ruth Ona Nelson and Walter Lewis Shullie of Waukegan. Uncle Ezra will be impersonated by Ernest Glenn, spareribs by Homer LaPlant and Lulu Belle by Josephine Corale of Waukegan.

The event promises to be one of the most interesting events staged in Antioch in recent years.

MISSSES SILLER AND MUSCH

ENTERTAIN S. S. CLASS

Misses Gwendolin Siller and Wilma Musch gave a surprise Easter party for the members of their Sunday school classes Tuesday afternoon at the home of Miss Musch. Games were provided for the amusement of the children and they all enjoyed the lovely refreshments that were served.

## ANTIOCH FIREMEN GUARD EXTRA AREA FOR FOX LAKE DEPT.

Construction at Pistakee Isolates Homes West of River

With the Fox Lake Fire department cut off from access to the area west of Grass Lake and the Fox River, due to bridge construction work at Pistakee on Route 60, the Antioch and Spring Grove departments will take care of that territory during the coming months, Chief Stearns of the Antioch department, announced following a meeting of firemen here Tuesday night when the arrangements were made.

The closing of the road during the building of the bridge presented a real problem to the Fox Lake firemen, as Route 60 is the only highway crossing the chain of lakes between Route 173 west of Antioch and Burton's bridge near McHenry. The solution came Tuesday night when Antioch and Spring Grove volunteered to respond to fire calls in the area which is a part of the Fox Lake district. Spring Grove, nearest this territory, will take care of the local calls, and in case of more serious fires the Antioch department will be called, in which case a truck will be sent here from Fox Lake so that there will always be two trucks in the local fire station.

Completion of the bridge and the reopening of the highway to traffic will require more than three months time, according to state highway department officials.

## ANTIOCH POST PLANS EASTER DINNER-DANCE

Legion Men and Auxiliary Sponsor Affair at Pasadena

Plans are under way for the first annual post Easter dinner-dance to be given under the joint sponsorship of the Antioch American Legion post and the local Chapter of the Legion Auxiliary at Pasadena Gardens Monday night, April 22.

The annual dinner-dance usually given as a Washington's birthday affair, was changed this year until after the Lenten season. Heading the committee on arrangements this year is Past Commander Walter Hills, assisted by Harry Jensen, Dr. L. J. Zimmerman, Clarence Rosenstock, and Commander Otto S. Kinas. The usual good dinner will be served and there will be entertainment features besides the splendid orchestra that will furnish music for the dancing. The entire charge, including both dinner and dancing, will be 50 cents per person, the committee announced.

FIDELITY LODGE WILL MEET WITH MRS. WM. CRUBE

Fidelity Lodge No. 407, of Antioch, will hold its regular meeting at the home of Mrs. William Crube on North Main street Monday evening, April 15th. All members are invited and may bring their friends.

MRS. STAHRER IS SURPRISED WITH SHOWER

Mrs. Fred Stahrer was guest of honor at a surprise shower given at her home last Thursday afternoon by Mrs. Sam Sorenson. Sixteen ladies were present. The afternoon was spent socially and dainty refreshments were served.

130 ATTEND M. E. LUNCHEON

The luncheon served at the Methodist church Tuesday was a success. The ladies served 130 persons.

AUXILIARY WILL HOLD REGULAR MEETING FRIDAY

The regular meeting of the Auxiliary will be held Friday evening. Every member is requested to be present. Mrs. Henry Reinke, President.

MRS. HORTON IS HOSTESS TO 500 CLUB

The members of the Wednesday afternoon 500 club met with Mrs. Murray Horton Wednesday afternoon.

MR. AND MRS. JENSEN ENTERTAIN CLUB WEDNESDAY

Mr. and Mrs. Mike Jensen entertained the members of their 500 club Wednesday evening at their home on Lake street.

Mr. and Mrs. Harry Burgett of Hebron were Sunday visitors at the Andrew Harrison home.

## Easter in the Offing

## Stepped On by Horse; Injuries Prove Fatal

William Gross, 55, Dies in the Lake County Hospital

William Gross, 55, died in the Lake county hospital Friday following injuries received Wednesday when he was stepped on by a horse at the Alfred Pedersen farm east of Antioch. The man was doing the evening chores and when leading a horse to water he tripped and fell. The horse stepped on his chest. He was taken to the hospital at once and an X-Ray examination showed that his right lung had been punctured.

A verdict of "death from accidental injuries" was returned by the coroner's jury at the inquest held at the Weikel and Peterson funeral home in Waukegan.

Gross was the father of eight children, seven of whom are living, including Mrs. Joseph Pankratz of Waukegan with whom he resided a part of the time and at whose home the funeral was held Monday afternoon. Burial was in Zion.

He had been employed at the Pedersen farm for the last two or three years.

## SCHOOL ELECTIONS SET FOR SATURDAY

Three school elections will be held in Antioch Saturday, for electing directors for both the grade and high school boards and also one trustee for the township.

Voting at the grade school election will take place from 12 noon to 7:00 o'clock. A. M. Hawkins, present board member is candidate for president, and S. B. Nelson, retiring as president, and Joseph Horton are candidates for board members.

High School Election.

Only one vacancy occurs on the high school board, the term of Clarence Crowley expiring this year, and he is a candidate for reelection. Other members of the five-member board are George White, president; Mrs. Helen Osmund, secretary, and Mrs. Jean Ferris and Paul Zelen, board members. The elected directors choose the president for one year at the organization meeting following election. Balloting will take place at the Antioch high school from 12 noon until 7 o'clock.

Also at the high school from 2 to 4 o'clock balloting will take place for the election of a township trustee. The only candidate for this office is Otto S. Kinas whose term expires. The other trustees are Bert Edwards and George White. The township treasurer of school funds is George B. Bartlett. The elected trustees appoint a treasurer each year. Trustees serve for three years, one member of the board being elected each year.

## To Hold Holy Week Services at M. E. Church

Easter challenges us to "practice the fact of immortality," to live as men who honestly believe that life goes on after death. We must stake everything on belief in the afterlife, pledged to us by the risen and triumphant Christ. The early disciples were so sure that they ventured everything, risking for this hope all that men ordinarily count most precious. What have you risked? How far have you ventured? Do we act as if we believed the truth of Easter?

Palm Sunday begins the Holy Week Meditations and we urge you to plan your affairs so that you can attend each evening. The services will begin promptly at 7:30 and continue (continued on page 10)

## TWO LOCAL RURAL SCHOOLS RECEIVE SUPERIOR RATING

Channel Lake and Emmons  
Get Certificates  
This Week

Two local district schools this week have been awarded the rating of "superior school" by the state department of education. They are the Channel Lake two-room rural school, given the award at a dedication ceremony held last night, and the Emmons school on route 59, which will have the same honor conferred on it tonight. Meanwhile this afternoon a similar dedication ceremony is taking place at Aptakisic, which gives that school also a superior rating.

At the Channel Lake school last night Assistant State Superintendent of Public Instruction Olla Keller, principal speaker at the dedication, declared that the home, the schools, the movies and the parent-teacher associations held the destiny of today's children, and stressed the importance of selecting the best qualified teachers. With all other requirements met, the matter of maintaining the superior rating rests almost wholly on the teaching personnel, Mr. Keller stated.

County Supt. Petty spoke briefly, introducing the speaker who made the award of the sign and the certificate to George McNulty, member of the school board.

Teachers are: Miss Rhoda Jedele, principal, and Miss Myrtle Norman, assistant.

Dedication at Emmons Tonight.

Like the dedication at Channel Lake last night, the ceremony at the Emmons school tonight is expected to attract a large crowd. Here also Mr. Keller will have charge of the dedication and will make the presentation. Supt. Petty will also attend.

Visitors at the Emmons school will see one of the best one-room schools in the entire state. It was completed recently and is equipped with every facility for the comfort and advancement of pupils. A year ago former State Supt. Blair dedicated the new building, then rated as a "standard" school.

The directors and patrons of the district are very justly proud of their school and they have invited all residents of the community to be their guests at the school tonight.

The teacher is Miss Melanle DePott of Fox Lake. Directors are Prof. Toft, Thomas E. Hansen, and Edward Dressler.

Lake County leads the state of Illinois, it has been disclosed by the state department of education in Springfield.

## TO ELECT MEMBERS TO NON-HIGH SCHOOL BD. OF EDUCATION

Clare Sherwood and Wm. Bonner Candidates in Election Saturday

A school election of importance throughout Lake county will be held at various designated polling places on Saturday of this week for the election of two members of the non-high school board of the county. There are seven precincts comprising all territory not in a district maintaining a recognized four-year high school. The local precinct is number two, and it comprises the townships of Antioch and Lake Villa. The balloting will take place at the Lake Villa school house from 2 to 7 o'clock.

Two names appear on the ballot which is the same for all precincts. They are Clare D. Sherwood, of Lake Villa, candidate for re-election, and Wm. M. Bonner, Wadsworth, to fill vacancy caused when Lake Bluff became a part of the Lake Forest high school district, thus automatically removing Oliver Melhum, board member from that district. The same situation occurred last year when Judge Forby, the Zion member, was automatically retired when that community formed a high school district of its own. Sherwood was appointed to fill the vacancy.

LOCAL BOY ON HONOR ROLL AT BELOIT COLLEGE

William E. Brook, son of Mr. and Mrs. J. E. Brook of Antioch, is on the honor roll at Beloit College according to information received here today.

## HUEY'S "SHARE THE WEALTH" PLAN

Conservatives who think the "Share-the-Wealth movement" is merely a temporary example of economic and social insanity which will soon pass away, are apt to be sadly mistaken.

Father of the movement is Huey Long, who has dramatized the issue which is almost as old as time itself. His theory is that the trouble with the country is that a small group of people have too much money, and that they are gradually starving out the rest of us.

In opposition to Senator Long, economists of all schools bring forward graphs, statistics, charts, which dispute his figures and prove him to be entirely wrong. However, not one American in a thousand ever sees the work of the economists—and the "share-the-wealth" advocates are masters at reaching the multitude. In addition, they have this great advantage—some 10,000,000 people are unemployed, and 20-odd million are on relief. Many of these people are desperate, worried, disgusted with matters as they now exist. They are likely to turn to anyone who can promise them a better day.

This is not to say that "Share-the-Wealth" is going to take the country by storm, and effect a revolution in our social and economic order. But it seems certain that it is going to be a powerful political and financial force for some time to come. If the third party movement actually comes to fruition, there will really be fireworks in 1936—and "Share-the-Wealth" is nearly sure to be the third-party slogan.

## WORK HARD—THINK HARD

It is now feared that there will be another wheat shortage, due to the dust storms which have caused damage in the mid-west comparable to that done by last year's drought.

Farmers producing other products likewise face new and difficult problems, which have been caused largely by the failure of the government's farm relief program to produce the results that were anticipated by the overly optimistic.

All of this emphasizes the fact that the American farmer, if he is to work his way out of depression, is going to have to work hard—and think hard. He cannot depend on outside agency for his economic salvation. The whims of nature, and the ancient laws of supply and demand cannot be controlled by fiat.

The farmer's best weapon lies in the agricultural cooperative—cooperatives which are owned and controlled by their members, and which enlist the abilities and energies of thousands of producers in order to work toward a common goal. One farmer, faced with disorganized distribution machinery, profitless prices, and chaotic markets, is powerless—ten thousand farmers, joined together in one organization, can fight a winning battle.

The old saying that self-help is the only worthwhile kind of help, was never truer than in the case of modern agriculture.

## TAXES ROB THE BREAD BASKET

"It will do no harm to have a reminder that when the Congress passes laws requiring the expenditure of money, the people will have to pay it. When a deficit exists, it must be met. Temporary borrowings by the Treasury may take care of it for the present, but finally the taxpayers will come to a day of reckoning.

"Raising tax rates does not seem popular. Impos-

ing a new levy on small incomes is anathema to those who vote large appropriations. . . . But people with small incomes will pay directly in all they buy or use, even if they pay no direct tax. They are the ones who suffer most from government extravagance.

"The present high rate of taxes, especially state and local assessments, is one of the main reasons small concerns are closing up and their business is going to chain stores and other large corporations. The overhead of taxes is so large that a small business is at a serious disadvantage."

That was written three years ago—and its author was former President Calvin Coolidge. Since that time, the tax problem has become critical—taxes levied by all units of government are rising to the point of confiscation, and government indebtedness has soared to an undreamed-of peak. The people will eventually have to pay the bill—every penny of it.

## STRIKE!

The ominous word "strike" is again heard on the Pacific Coast. Unions have called "lockouts" against certain steamship lines which refused to accede to the demand that no one not belonging to a union be employed.

Entirely aside from the merits of either side of the employer-employee disagreement that has disrupted steamship operations for more than a year, this fact is highly significant: The new strike was called in violation of the agreement entered into by the union at the time the federal government started its arbitration proceedings. In other words, union heads saw fit to call a new strike—even though the arbitration board, in which they had expressed confidence, is still at work!

It has been observed that when the steamship strikes began, public sympathy lay with the strikers. There were grounds for believing that labor on some ships had been underpaid and overworked, and the public wanted these matters corrected. However, it was not long before that sympathy was lost—violence, broken promises, and the spread of misinformation by radicals were the worst enemies of the union cause. Today, with ships tied up again, the public's mood is one of justified anger. It will not submit to domination of the worker by capital—and at the same time, it will not submit to domination of the public interests by unions which represent only a small proportion of workers.

## QUICK TRAVEL WILL "MAKE" REGION

Rocketing over the rails at a speed which reached 104 miles an hour, one of the new twin "Zephyr" streamlined Burlington trains Saturday established the fastest run between Chicago and Minneapolis. The Diesel-powered flyer made brief stops at Savanna, Ill., and LaCrosse, Wis., and averaged 77.5 miles per hour for 431 miles, including stops. . . . Metropolitan newspapers also carry the announcement that on April 28 the Twentieth Century Limited on the New York Central line start a 17-hour schedule between Chicago and New York, the fastest in history. Almost daily one reads of shattered speed records on land, on water and in the air.

Development in transportation is encouraging to those whose business requires them to get from one place to another quickly, and points to the time when the lake region becomes important enough to a sufficient number of people to bring easy and rapid travel to and from Chicago and other centers. The day may not be far distant when the commuter residing in Antioch or its environs will find it possible to get to his work in the city in a brief half-hour. From that time on the lake region will experience a development not yet dreamed of.

## VILLAGE ELECTION

Next Tuesday, April 16th, is election day in the village of Antioch, and in other villages and cities in Illinois. There will not be another village election for two years. All citizens should vote.

# VOTERS, ATTENTION

The following facts are herewith called to the attention of all VOTERS in the Village of Antioch, as to why:

## Arthur (Archie) Maplethorpe

should be your choice for the office of President of the Board of Trustees, of the Village of Antioch, at the election to be held, Tuesday, April 16th, 1935.

Archie Maplethorpe has been a resident of Antioch for the past 27 years.

He attended both the grade and high schools of your village.

He has been actively and honorably engaged in business in Antioch for the past 20 years, owning and operating the Main Garage and Gas Service Station.

He is a World War Veteran, serving his country honorably overseas for a period of 16 months.

He has served as Commander of the Antioch Post, American Legion, and has been District Athletic officer of the American Legion for the past 4 years.

He has held the office of School Medal Chairman for the past 4 years.

He has been president of Lake County Garagemen's association for the past 2 years.

He is a property owner, maintaining his home and business property in Antioch, and has always been vitally interested in the welfare of his home town and neighbors.

DO NOT BE MISLED by the propaganda being circulated that certain officers or trustees in past years have plunged the Village into debt, and that certain officers or trustees, who later succeeded these men in office have been the saviors of the Village.

The president of the Village Board is not empowered to contract any indebtedness for the Village. This power rests solely with the entire Board of Trustees, and a majority vote at all times governs each and every act of your Board, and all bills rendered against the village are referred to the finance committee of your Board and if found correct, the Village Treasurer is ordered to issue a voucher in payment of same.

And, remember, your Village President does not vote at these meetings, only, in the event of a tied vote, when he is permitted to cast the deciding vote.

The real facts are that the revenue received by your Village Trustees, for the operation of the village administration during the past 12 years, has been greatly increased over years prior to this period, due to the revenues received on automobile licenses, the lessened cost of street maintenance, due to two of our principal streets being State constructed and partially State maintained, increased revenue from water consumption, and during the past two years, the additional revenue derived from Tavern licenses.

Thus, it can be readily seen, that the so-called magic wand which propaganda would have you believe has been waved by a village president to "pull your town out of debt" is but a myth.

Archie Maplethorpe is thoroughly awake to the various problems of the Village government, is capable, progressive and possessed of sound business judgment.

His honesty and integrity is beyond a criticism. He is recognized for his straightforwardness, never shirking a responsibility, meeting every issue, face to face, yet always considerate of the viewpoints of his fellow men.

Archie Maplethorpe's past record and experience merits the unqualified support and approval of every Voter in the Village of Antioch, who is interested in having as President of this Village a fair and open minded citizen and neighbor, who still believes in the "Golden Rule."

This article published and paid for, by residents and voters in the Village of Antioch, interested in the welfare of their Village and neighbors.

They are: Frank Rausch, Harvey Beaster, Arthur Wellman, Raymond Forster, Lyle Rasch, Rodell Harm, Irene White, Marie Mark, Beatrice Romlo, Arlene Krahn, Ruth Reepke, and Dorothy Wellman.

Union Free High School "And It Rained", an operetta under the direction of Miss Gladys Bufton will be at the Wilmot gymnasium at 8:15 on Friday evening, April 12. A clever cast has been procured for the production and there will be several specialty numbers between acts.

With 200 players, principals and coaches in attendance Friday night, the twelve schools in the Southeastern Wisconsin High School athletic conference had a full representation at the annual basketball banquet held for the first time at the Wilmot high school gymnasium.

Schools include Clinton, Darlac, Genoa City, Mukwonago, Norria Farm, Palmyra, Rochester, Union Grove, Walworth, Watertown, Williams Bay and Wilmot.

A sumptuous dinner was served at 6:30, the food for which was donated and served by mothers of the Wilmot students. The committee was chairmaned by Mrs. Earl Swenson.

A delightful program of entertainment was held. V. N. Jacobson, Genoa City, was the toastmaster and A. K. Vincent, Walworth, was in charge of the songfest.

The main address was given by Richard Evans, D. D., pastor of the Presbyterian church of Milwaukee.

In a most interesting way he likened the game of basketball to the practical ways of life and showed how phases of the sport could be applied to every day living.

Musical features were provided by a brass quartet and a trombone solo by M. Packard, Darlac, who attained high rating in the Chicago musical festival last year.

Winners in the 1935 preliminary meet in Forensics will go to Rochester to compete in the finals on Tuesday. They are—Joseph Schlar, Orlans; Josephine Larwin, Extempore; Reading; Carol Riggs, Serious declamation; Fern Berry, Humorous declamation; John Schepers, Extempore Speaking.

Lawrence Holmes of the College of Agriculture, Wisconsin University spent two days last week in Wilmot visiting the homes of twenty of the boy students and planning the beautification of the home grounds. He outlined a summer work for the students taking the course.

Baseball practice has started. Ten games will comprise the season's schedule.

## HICKORY

The Annual school election and meeting will be held in the school house Saturday evening, April 13th. Polls open at eight o'clock. Everybody come.

Supt. W. C. Petty visited our school Wednesday.

Miss Grace Tillotson (nurse) spent Monday and Tuesday of this week at the E. Holloway home near Bristol, Wisconsin.

Miss Lola Hunter of Oak Park was home over Sunday.

Mr. and Mrs. John Slovins from Milwaukee moved to the Maplewood Farm, just west of the Corners last Tuesday. Their son, Lloyd, started school this Monday.

Warren Robinson from Chelek, Wis., visited Thursday and over night at the Curtis Wells home.

Billy Nielson, a navy recruit, from Norfolk, Virginia, is expected home on Saturday, April 13th on furlough.

Miss Vera Bown of Fox Lake Road visited Sunday afternoon at W. E. Hunter's.

Mrs. Ray Bishop and Mrs. Alva Scoville from Kenosha visited Wednesday afternoon with Mrs. Ellen Tillotson and family.

Old Window Shades  
May Be Rejuvenated

Old window shades may be rejuvenated and made to look like new. Wash them by placing flat on a table and scrubbing with a brush and warm suds first on one side and then on the other. If the shades are not too badly faded, they may be brightened by rinsing in clear water to which a little ammonia (one teaspoon to a pint of water) has been added.

## Growing Days Are Busy Days

Spring and summer days are long on the farm. Spring plowing, intensive cultivation during the growing season, the fight against weeds and insects, care of the precious livestock—these important things fill the farmer's waking hours. There is scant time for trips to town or anything else that takes a member of the family away from home tasks. For outside contacts at this busy time the farmer depends on his telephone. It runs his errands, orders his supplies and makes trips away from the farm unnecessary. It does these tasks and is a comfort, a protection and a convenience to the whole family as well. Every farm home should have a telephone. The cost is small.

## Growing Days Are Busy Days

Spring and summer days are long on the farm. Spring plowing, intensive cultivation during the growing season, the fight against weeds and insects, care of the precious livestock—these important things fill the farmer's waking hours. There is scant time for trips to town or anything else that takes a member of the family away from home tasks. For outside contacts at this busy time the farmer depends on his telephone. It runs his errands, orders his supplies and makes trips away from the farm unnecessary. It does these tasks and is a comfort, a protection and a convenience to the whole family as well. Every farm home should have a telephone. The cost is small.

## LAKE VILLA

John Walker was elected as road commissioner by a good majority at last week's township election over John Stratton and Bert J. Galiger, and assumed his new duties the first of the week. A large vote was cast in the township.

School election at the school house next Saturday night, April 13. Come out.

Whooping cough has a number of victims in the village, and we hope that there will be no further spread, as it is thought to be under control. The barns on the west side of the road on the Cedar Crest farm, formerly the Dering estate, have been sold and will be wrecked.

The Epworth League of Lake Villa joined other Leagues at a combined meeting at Fox Lake on Sunday night and Rev. Tope and wife who have recently returned from a trip to the Holy Land gave interesting accounts of some of their travels and experiences.

Mrs. DeSels, Mrs. Pedersen, Mrs. Fred Hamlin, Mrs. Perry and Mrs. Charles Hamlin attended the Lake County meeting of Ladies' Aid Societies in Waukegan on Wednesday.

Miss Ruth Perry visited friends in Rockford last Saturday.

Mr. and Mrs. B. J. Hooper and Miss Lorraine spent Wednesday of last week in Chicago.

Mrs. Al B. Maier entertained a group of friends at a card party at her home last Thursday afternoon for the benefit of the Woman's club of Lake Villa.

Mrs. Inez Munzer visited relatives in Chicago on Tuesday of last week.

Thomas Brompton and family, Mahel, Ethel and Howard, started last Saturday on their auto trip to Colorado where they expect to live. They made the trip in their coupe with trailer and a truck in which they took their furniture. We hope that they may find their home in the west all that one may desire or want.

Mr. and Mrs. Trowbridge have moved to Grayslake and have vacated the Leonard house.

The Ladies' Aid society will meet at the Ladies' Aid room on Wednesday afternoon, April 17, at 2 o'clock and Mrs. Al B. Maier and Mrs. Madison will be hostess. All are very welcome.

Jack Stratton is still confined to his home by illness, but is able to be up a bit each day. His brother, Dick, has also been out of school because of illness, but is improving.

Mr. and Mrs. Tronson have vacated the Brennan rooms and have moved into the Haley cottage.

Mrs. Daisy Rihuy, who has been with her daughter, Mrs. McLaren, in

Chicago for the past few months, has returned to her home here for the summer.

Mrs. Sophronia Murrel who is employed in Lake Forest, visited the Hooper family on Sunday.

Mr. and Mrs. Ted Messler have moved to the Pasko cottage at Monaville and Mrs. and Mrs. Mork, who have been living at Norwood Park, expect to move back to their cottage which has been made to accommodate two families. They expect to occupy the upper rooms and rent the first floor.

Beginning next Monday services will be held at the church every evening during Holy Week except Saturday and you are cordially invited to attend.

A group of men on relief work are doing considerable work on the streets and walks of the village to put them in good repair. Grading of the streets and straightening of cement sidewalks is a part of the work and adds much to the appearance of the village.

Have you procured your ticket for the big show, "Everybody's Here?" You surely will be well repaid when you see this scream of a show, on Thursday and Friday evenings.

Purple in Shell Shells.

In the days of ancient Rome the purple in the shell of certain snails was used in the making of Tyrian purple, a dye reserved for the nobility. The snail used this ink to create a smoke screen about itself in time of danger. Other species of snails are known to bear poison glands which enable the snail to eject a stream of poison several inches. The highly ornamental shells of several species are used as umbrella handles.
